

# MYC Junior Sailing 2020

Hey kids – do you want to race a sailboat? Have your parents bring you to Massapoag Yacht Club's Junior Sailing program. It's every Sunday morning on the water at 10 AM from June 28 to August 9. You can come every week or come once, whatever works for you.

You can use your own boat, one of the Town of Sharon's boats or one of the Massapoag Yacht Club's boats. After the series is over, we'll have a Regatta on August 16 with trophies awarded to the top 5 sailors and a fun cookout for all the participants and their parents/cheerleaders. There is no charge to participate, just bring your enthusiasm for sailing and have fun!
